---

**Education:**

Harbin Institute of Technology 1983-1987  
Bachelor of Science in Mechanical Engineering  
Major: Design and Manufacturing of Precision Machine and Instrument

**Most Recent Employment:**

Quality Engineer - BWI Group North America, Greenfield, IN 2018 – Present  
Quality Engineer - Xtant Medical (X-Spine Systems), Dayton, OH August 2015 – December 2017  
Quality Engineer - Paragon Medical, Inc. Indianapolis, IN 2008 – July 2015

**Community Service Experience:**

In the past 20 plus years, I have been supporting and participating many activities that organized by ICCCI and other American - Chinese organizations. The major event include:

1. Joined Dragon dancing team for the Thanksgiving Parade in Chicago and the Chinese New Year Celebration, the Carmel Chinese Festival, etc..
2. Join the Indiana Chinese Choir to perform <<Yellow River>> in Chicago and Butler University.
3. Love wide variety of sports, member of Indiana Chinese Runners Club.
4. I'm a skilled photographer, have been volunteering for many events.

**Reasons for Running for ICCCI Board Director:**

I love Indiana and Chinese community, would like to take this opportunity to join the ICCCI leadership team, contribute my efforts to work with other people to make the Chinese American Community a more brighter future.

**My vision for ICCCI:**

ICCCI is a largest Chinese- American organization in Indiana, it has been serving the community for 25 years and made huge impact to the Chinese American society.

I will work with other board members together, to promote economic, technology, cultural exchange between China and United States. Improve the awareness and ability of the Chinese community to integrate into American Society.
